Comment	The Adelaide Hills are no place for a mine of any type,,Get real Mr Marshall
Additional comments	I am an avid lover of the Adelaide Hills.They are unique and offer a beautiful area for both local & Overseas visitors,in particular the area where this mine application is planned. Why the Marshall Govt would even consider this maniacal application. Get real Mr Marshall,,value the State &What it has to offer,,don’t listen to weak limp wristed Public Servants who have no understanding of the damage this could cause to the environment &the State
