Our Ref: FOI19D0017
Your Receipt: 7582905, 7582910, 7582916

Hon Kyam Maher MLC
Legislative Council
Parliament House

ADELAIDE SA 5000
E-mail: maher.office@parliament.sa.gov.au

Dear Mr Maher

I acknowledge receipt of your internal review application made under the *Freedom of Information Act 1991* (the FOI Act) seeking a review of the following application 7582905, 7582910, 7582916:

<Copies of any and all documents (including but not limited to hard copy or electronic briefings, minutes, reports, emails, letters, meeting agendas, diary entries and any other correspondence) between the Minister and/or Minister's Office staff and the Attorney General and/or the Attorney General's Office in regard to any FOI>.

The initial determination made by the Accredited FOI officer was as below:

> ***Documents 1 - 6***
> *I have considered the documents and determined to release them in part. The sections to which I have not granted you access are outside the scope of your application.*

Internal Review Application
Your application for review of the initial determination indicates that you feel aggrieved by the determination because you do not believe all documents within the scope of the request were included. I note you have also clarified this request should also include documents that have been received as both "cc" and "bcc".

Having reviewed all material provided to me, I have made the following determinations on internal review.

"All documents within the scope of the request"

> I have reviewed all documents that were discovered during the original search. I am satisfied that all documents subject to this FOI application have been identified. I therefore confirm the original determination in relation to this issue.

"received as cc and bcc"

> The original search conducted within my office for documents included documents that were received as either "cc" or "bcc". I therefore confirm the original determination in relation to this issue.

Government of South Australia

I have also reviewed the content of documents two, three, four, five and six that were previously provided as part of the original determination. I have determined that sections that were previously redacted as "out of scope" should have in fact been redacted as exempt under Clause 16(1)(a)(iv)(b). I have amended such redactions and the revised documents are attached.

16—Documents concerning operations of agencies

(1) A document is an exempt document if it contains matter the disclosure of which—

(a) could reasonably be expected—

(iv) to have a substantial adverse effect on the effective performance by an agency of the agency's functions;

(b) would, on balance, be contrary to the public interest.

Sections of documents two, three, four, five and six contain direct phone numbers or email addresses which are not available to external persons. There are publically available dedicated contact number available which provides a first point of contact for members of the public where staff can appropriately triage all enquiries. In my view, it is unreasonable to release direct contact numbers or email addresses that may enable the public to circumvent the proper processes put in place to provide appropriate services.

If you are unhappy with this determination you are entitled to exercise your rights of external review with the Ombudsman SA. Alternatively, you can apply to the South Australian Civil and Administrative Tribunal (SACAT). If you wish to seek a review, you must do so within 30 calendar days of receiving this internal review determination.

For more information about seeking a review, please contact the Ombudsman SA on telephone (08) 8226 8699 or SACAT on 1800 723 767.

In accordance with the requirements of Premier and Cabinet Circular PC045, details of your FOI application, and the documents to which you are given access, will be published in the agency's disclosure log. A copy of PC045 can be found at http://dpc.sa.gov.au/what-we-do/services-for-government/premier-and-cabinet-circulars.

Should you require any further information please contact me on telephone 8226 1300.

Yours sincerely

Hon Dan van Holst Pellekaan MP
