
Round 1 - Application name

- Carbonatite Diamond Drilling
- Manna Hill Cu-Au Porphyry - Deep diamond drilling, targeting potassic porphyry Cu Mineralisation
- Target PH1
- Stuart Shelf Sediment Hosted Copper; EL 6302
- REE Roll-Front Upgrade Model
- Woomera Seismic Project
- Flat Hill Copper Project
- Nappamerri Trough Regional 2D seismic
- Eveline B6 Cobalt-Copper Discovery Drilling, Northern Flinders Ranges
- EL 7123 ANT-HVSR-MT Survey and Machine Learning Project
- Firehawk Drilling Program
- Theseus - Testing a Concelled Silver Lead Zinc Epithermal Model
- Comet UAVSAM
- Callabonna Project Diamond Drilling Program
- Locating the Structural Feeder for Deep Well Copper Mineralisation
- Pluto Prospect
- Warooka Integrated IOCG Target Refinement ad Drill Testing Program
- Everest Uranium Discovery
- Seismic Detection of Birksgate Copper Skarn

- Operating mine
- Mining project
- Mineral Lease
- Woomera Prohibited Area (WPA)

Zoning of the WPA

- Defence Continuous Use Zone: 12 months exclusive access
- Defence Periodic Use Zone 1: 140 days exclusive access
- Defence Periodic Use Zone 2: 70 days exclusive access
- Defence Infrequent Zone: Up to 56 days exclusive access

Restricted lands

- Aboriginal Lands
- Maralinga Nuclear Test Site - no mineral exploration access
- Other restricted land
- Parks and Reserves - no mineral exploration access
- Parks and Reserves - mineral exploration access
