Subject: Notification RE: lodgement of BIH Applications

Hi Ian,

Further to my previous email and our discussion yesterday, can you please notify WCCC members that the Bird in Hand Gold Project applications for a Mineral Lease and Miscellaneous Purposes Licence (at Angas Zinc) was received by DEM on 21 June 2019.

The mining proposal and management plan are currently being assessed against the requirements set out by the relevant Ministerial Determinations.

The project page will be updated as the application progresses through the assessment process:
