Comment	<p>I support the mine application, provided that a Visitor Education Centre assists with Local Tourism and Education during the life of the mine and after. The mine is central to the 'Hills' tourism and can offer a family alternative to wineries. It can offer educational support to the young and hopefully promote an interest to the young, who are our Engineers of the future.</p> <p>The SA Government is keen to increase Tourism and they should see the mine as a draw card in promoting a fresh idea to the public.</p>
