Subject: Proposed Gold Mine at Woodside.

Dear Nathan,

I write in regards to the proposed Bird in Hand gold mine near Woodside. As a long term resident of the Adelaide Hills, and a winemaker for 35 years at Petaluma, I am very concerned of the implications of the proposed mine.

To this point, I agree with Accolade and support the points made in Accolade's submission.

Further I cannot believe that the Government would risk so much for such a relatively small financial gain.

Yours Sincerely,

Andrew Hardy.
