I understand that my submission will be published on the DEM website and provided to the applicant, but I require that the government withholds my name and contact details. I understand that it is my responsibility to ensure personal information is not included in the body of my submission, any footers or headers or any attachments	checked

Submission details

Issue	Air quality and environmental disruption with the proposed gold mine at Woodside. Completely opposed.
Reference and page number (if known)	
Comment	As a hills resident I don't want this to be approved and completely oppose it.
Additional comments	This is a huge worry and shouldn't be allowed to go ahead. It will ruin the air quality and also damage the environment and house prices in the area.
