

## Overseas Travel (1 July 2018 to 30 June 2019)

Government of South Australia

Department for Energy and Mining

### Department for Energy and Mining - Public Sector Employees

No. of Travellers	Destination	Reasons for Travel	Total Cost of Travel*
2	Copenhagen (Denmark)	To attend the 24th Electromagnetic Induction Workshop 2018; presentation of state-wide geophysical AusLAMP MT datasets.	7,511
1	Copenhagen (Denmark)	To attend the International Energy Agency Technology Collaboration Program on Enhanced Oil Recovery in Denmark.	4,104
1	Tokyo (Japan)	To represent the South Australian Government and promote the state's efforts to date to become a producer, user and exporter of hydrogen, including showcasing South Australian capabilities and credentials and identifying trade and investment opportunities.	4,295
2	Beijing & Tianjin (China)	Meet the Geological Survey of South Australia's geoscientific and collaborative obligations under the South Australia-China Engagement Strategy which aims to strengthen engagement with China for a mutually beneficial and prosperous relationship through the development of strategic partnerships.	15,976
2	Berlin (Germany)	Participate in bilateral knowledge exchange of electricity market policy and technical regulation.	5,021
1	Daejeon (South Korea)	Understand industry's drivers and technology challenges, regulate geothermal operations in South Australia, attract investment into the geothermal energy sector and provide policy advice for geothermal energy projects.	2,931
1	Wellington (New Zealand)	Participate in the joint Australian/New Zealand Standards Committee - Electrical Accessories meeting.	2,286
1	Jaipur (India)	To participate in Geoscience Australia Delegation to the Geological Survey of India (GSI) to conduct professional development training. Airfares paid for by Geoscience Australia and accommodation paid for by Geoscience Australia and/or Geological Survey of India.	751
1	Beijing, China	Attendance by invitation at the UN Environment Workshop on governance of marine resources with a focus on coastal mining and aquaculture.	0
1	Singapore	Attendance by invitation to speak at the Energy Council's Asia Pacific (APAC) Energy Assembly 2019. Opportunity for face-to-face meetings and marketing to Asia Pacific exploration and production companies.	3,443

1	Houston (Texas)	Attendance and presentation at the 2019 NAPE Summit Week seminars. Opportunity to promote South Australian upstream petroleum exploration and attract investment.	4,984
2	China, Japan	Represented the State in Beijing and Qian 'an, China in support of growing Chinese investment in South Australia. Attendance at the globally significant annual China Mining conference in Tianjin, China. Lead a delegation of emerging South Australian hydrogen businesses to the 2019 International Hydrogen and Fuel Cell Expo in Tokyo and associated meetings with Japanese Government and industry to promote SA's renewable hydrogen production.	10,620
2	Tokyo (Japan)	Attendance at the Fuel Cell Expo and meeting with Japanese Government and industry to promote South Australia's renewable hydrogen production. Support the Governor and Minister for Trade, Tourism and Investment in his business mission to North East Asia and opening of South Australia's Tokyo Trade office.	8,361
2	Toronto (Canada)	Attendance at Prospectors and Developers Association of Canada (PDAC) 2019 Exploration and Mining Conference. Represented South Australia as part of Australia Minerals delegation highlighting investment attraction options in the resources sector.	16,623
2	Berlin (Germany)	Participated in a fact-finding mission and bilateral thought exchange, focusing on energy infrastructure and hydrogen technologies as part of the Federal Ministry of Economic Affairs and Energy's German Energy Solutions Initiative.	12,143
1	New Orleans, Louisiana (USA)	Attendance by invitation at the opening and 3-day US Hydrogen Safety panel. Promotion of South Australia as an investment destination for Hydrogen. Engagement with international policy makers regarding use of Hydrogen.	15,347
1	Auckland (New Zealand)	Attendance at the AusIMM 2019 PACRIM conference 'Mineral Systems of the Pacific Rim Congress 2019'. Attendance at this 3 yearly event is highly desirable for South Australia's geoscientific positioning in the region as a resource destination of choice.	4,724
2	Santiago (Chile)	To promote South Australia's June 2019 Copper to the World Conference in Adelaide, participate in panel discussions at the International Mining Exploration Forum, progress actions under the Memorandum of Understanding with the Chilean Geological Survey (SERNAGEOMIN) and discuss opportunities for investment by CODELCO in the South Australian copper sector.	17,681
1	Hong Kong (China) & Quebec City (Canada)	Attendance by invitation at Canada's main technical geoscience conference and associated workshops. Delivered 2 workshop presentations on the Olympic Cu-Au Province and a presentation at the GAC-MAC-IAH Conference.	6,284

2	Tirrenia, Pisa (Italy)	Attended the Biennial International Conference on Hydrogen Safety, the preeminent hydrogen safety, regulatory and research conference in the world. Highlight South Australia's work in developing a hydrogen industry and promote SA as an investment destination to industry overseas. Both attendees are members of the Scientific Committee of Hysafe. Accommodation paid for by Hysafe.	6,429
1	Denver and Casper, (USA)	Attended the ISO/TC 265 as the Australian representative of the Australian Mirror Committee. Participated in meetings and working groups to draft and develop international standards and technical reports for CO2 capture, utilisation and storage. Only accommodation and other travel related expenses paid for by department - airfares covered by external party.	2,382
