Submission details

Issue	<p>No mines for Woodside. I don't want mines, the people of Woodside don't want mines. The only people who want mines are those who expect to profit from it. They will go on their merry way after causing their irreparable damage. I am sure they know perfectly well what the damage is likely to be, but greed trumps common sense every time.</p> <p>Mines are supposed to benefit Woodside? Exactly how?? Leave the wildlife in peace, leave the vineyards alone, don't meddle with the water table, don't disrupt the peace and quiet. keep the trucks away, stay off the fragile country roads, don't add to the already increasing heavy traffic.</p> <p>Did no-one from Terramin attend the public meeting at the Woodside hall on 19th August 2019? And if they did, were they deaf?</p>
