Re: Kara Resources Mining Lease MC4322.

Letter of concern;

from the owners of ~~_____~~

and ~~_____~~

Hundred of Nuriootpa Dist council Light Regional.

On reading through your document on the Dolomite Deposit we have noticed.

1. On pg 23 No 3 Results of consultation, No 2 Farm at

Results so far: On going.

OUR COMMENT ; to date no one has spoken to, or contacted us re this quarry.

OLD KAPUNDA RD.

2. Intersection of Nain Rd / Old Kapunda Rd.

This is a T junction on a bend, obscured by hillside on southern side. Corner will have to be opened up .

3. Spoon drain between Sect 171/172 and adjacent landholder
Sect If this is closed with a pipe, is it going to be large enough to take storm water.

4. Junction of Quarry Rd and Old Kapunda Rd has to be widened which will necessitate removal of dam. Where is this storm water going to be directed.

5. Old Kapunda Rd is also a farm link road for use of machinery transferring between paddocks, and transferring livestock. These commodities should have right of way.

6. Nain Rd and Old Kapunda Rd should be sealed.
This road was not built for this traffic and will need regular

File No: T.2885

Doc No: A1854268

2.

upgrade, more than it gets now.

7. STORM WATER. A very large percentage of storm water from the Nain hills crosses both Nain and Old Kapunda Rds at various places. It's not just local water you have to think about. On occasions we have been stranded due to the quantity of water.
8. WATER SUPPLY on existing main.
Will this enterprise effect our water supply, watering livestock on Sect 171/ 172/ 228 from a spur line on southern side of Nain Rd and ~~to~~ Old Kapunda Rd for livestock and house.
9. HOME on ~~the same seam of metal~~ l.
This home is on the same seam of metal as this enterprise and we have very little top soil. Will this have an effect on our house. It is now over 120 years old and the original section has no cracks. At the very least we would like you to document this so that in the future in case of damage Kara will need to be rectify any damage.
10. FOR CONTACT; ~~Old Kapunda Rd~~ has tennants and if you wish to contact us, prior appointment will be needed.
