Issue	Road congestion
Reference and page number (if known)	
Comment	I believe that the extra traffic (eg trucks, etc) through the country roads and local towns will be detrimental to the area. the increased noise, and the safety issues with the extra traffic will have an adverse effect on residents, and tourism. This is a prime tourist destination, and believe visitors will go elsewhere.
Issue	Water
Reference and page number (if known)	
Comment	As there are several farms , growing vegetables, grapes, and raising livestock nearby,I am very worried about the underground aquifers being damaged. If this does happen, the damage will have been done, it will be too late.
