**Manner and form determination under regulation 18(1)(h) of the**
***Hydrogen and Renewable Energy Regulations 2024***

For the purposes of regulation 18(1)(h) of the *Hydrogen and Renewable Energy Regulations 2024*, it is determined that where an applicant is seeking to acquire a licence with the intent of selling the project, including transferring all rights and interests, pre-construction, the information required that demonstrates the expected financial position of the applicant will be:

- a statement detailing financial position demonstrating capacity to fund the project to proposed point of sale including a statement detailing the applicant(s) current assets and liabilities; or
- a copy of a current bank statement – no older than 20 business days from the date the application is lodged; and
- supported by evidence of the business model previously being enacted by the applicant, and
- an estimation of costs required to develop the project to the point of sale.
