We have lived in the Adelaide Hills for 53 years and are passionate to protect our Environment from any mining in and around Woodside

As Residents we are so aware of protecting Our Hills from any mining and are totally against Terramin drilling in the Woodside area.

Terramin have been excavating for over 3 years which has been an issue for all those who live close to this Mine site ? Health issues being

Dust ,pollution and severe damage to our Underground Water Supply is of our highest priority. Let alone affecting our Food bowl

Which provides a large range of fruits,vegetable and Agriculture.

The Adelaide Hills are unique for it's close proximity to the City of Adelaide and attracts 1.4 million Visitors made up of Interstate,Overseas

And our Own Locals from the City ,who enjoy the quick escape from the City on a daily basis especially at Weekends . There are not many Cities

Who have so many Tourist destinations so close in proximity.less than 45 minutes from our Airport.

PLEASE DO NOT LET THIS GO AHEAD , We are strongly OPPOSED .
