Dear Mr Gericke

Notification of Approved Program for Environment Protection and Rehabilitation (Program)

In reference to your submission dated 4 April 2026, the Program has been approved pursuant to section 70B(5) of the [Mining Act 1971](#) (the Mining Act).

The approved Program will be made publicly available on the Mining Register and the Department for Energy and Mining (DEM) [website](#). Details of the approved Program are listed below.

Tenement Holder	K.D. & H.M. Gericke Proprietary Limited
Tenement Type & Number	Mining Lease (ML) 6567
Program Number	MP-01114
Name of Operation	Gericke's Pit

You are reminded that you must always implement and comply with the approved Program.

This approval does not constitute endorsement of the systems that you have in place to manage the mining operations in compliance with the Mining Act. Whilst your capability to undertake this activity has been considered in this approval, the responsibility for compliance with the Mining Act always remains with the tenement holder.

The legislative requirements outlined below must be actioned prior to commencement of operations authorised by the Program.

1	Public Liability Insurance Pursuant to Regulation 81 of the Mining Regulations 2020 , you are required to provide a copy of a certificate evidencing the insurance coverage over the tenement.
2	Commencement of Operations Notify DEM prior to commencement of mining operations on ML 6567.

3	Compliance Reporting You are required to submit an annual compliance report (Regulation 77). The reporting period will end on 31 March each year, and the compliance report must be submitted within two (2) calendar months of the recurring anniversary of the tenement grant date reporting period (on or before 31 May annually). Please refer to the DEM website for more information on the reporting requirements.
4	Work, Health and Safety Compliance In accordance with Chapter 10 of the <i>Work Health and Safety Regulations 2012</i> (SA), you must meet the requirements for mine operators in South Australia, which include a notification for mining operations, the establishment of a Safety Management System, the identification of Principal Mining Hazards and development of a Principal Mining Hazard Management Plan. Further information on your responsibilities, including a guide to Chapter 10, and the Mine Operator Notification Form, is available on the SafeWork SA website .
5	Native Vegetation The native vegetation clearance and payment into the Native Vegetation Fund set out in the Program is approved in accordance with my delegated powers under the <i>Native Vegetation Regulations 2017</i> (SA). Please notify DEM if you would like an invoice for the SEB to be raised by the Native Vegetation Council and forwarded to you so that payment can be made. Please note that payment must be provided before any clearance is undertaken.

In addition to the requirements under the Mining Act, you are reminded that your operation will have other legislative requirements that you will need to comply with.

If you have any further queries, please contact Amie Amir, Compliance Officer, Minerals Regulation, DEM.MiningRegRehab@sa.gov.au [REDACTED]

Yours sincerely

Simon Constable
