Dear Mark,

**Public Circulation – Mining Lease Proposal for Rex Minerals (SA) Pty Ltd
Hillside Project**

I refer to the letter from Junesse Martin dated 3 and 10 September 2013 in relation to the abovementioned matter.

We thank you for the opportunity to review the mining proposal by Rex Minerals.

Further to your letters, Rex Minerals have engaged directly with Arrium Mining in relation to the areas which affect our operations.

Arrium Mining has considered the matter and we advise that we have no objection to their proposal. However, we would appreciate being kept informed on this matter.

If you have any queries, please do not hesitate to contact me on [REDACTED]

Regards,

[REDACTED]
