Dear Mr Taylor,

MINERAL LEASE (MC 4473) AND MISCELLANEOUS PURPOSES LICENCE APPLICATIONS

Thank you for submitting the additional information that was requested by the Department for Energy and Mining (DEM) on 27 June 2019. DEM has assessed the information provided and found it adequate to move to the statutory consultation phase of the assessment process.

The Management Plan document submitted to support your application for a Miscellaneous Purposes Licence at Strathalbyn has been reviewed by a DEM Mining Assessment Officer and found to be adequate for assessment, as per the requirements of the *Mining Act 1971*, Mining Regulations 2011 and Ministerial Determination 006.

For your information, the statutory public consultation phase of the assessment process is scheduled to commence this week. The advertising details for DEM's public consultation on the Bird in Hand Gold Project are:

- DEM website – 10 July
- The Courier (Mount Barker) – 10 July
- Government Gazette – 11 July
- Advertiser – 11 July
- The Adelaide Hills Weekender Herald – 11 July
- Southern Argus (Strathalbyn) – 11 July
- The Times (Victor harbor) – 11 July

Submissions will be invited on the applications over a ten-week period, commencing on 10 July 2019 and ending on 20 September 2019.

The relevant DEM webpages that will be updated are as follows:

http://www.energymining.sa.gov.au/minerals/mining/public_notices_mining

http://www.energymining.sa.gov.au/minerals/mining/mineral_projects/bird_in_hand_gold_project

A new public notice page will be created and will be accessible from the public notice home page above.

Yours sincerely

A handwritten signature in blue ink, appearing to read 'Andrew Querzolt'.
