Details of Grant of a Mineral Tenement

1. On 17 December 2021, pursuant to Part 6 of the Act, the Minister made a statutory grant of a mining lease (the Mineral Tenement) described in this Tenement Document.
2. The Mineral Tenement is granted:
 - 2.1. To Andromeda Industrial Minerals Pty Ltd (ACN 061 503 375) and Great Southern Kaolin Pty Ltd (ACN 133 520 180);
 - 2.2. For the purpose of recovering the Mineral(s) and/or Extractive Mineral(s) described in the First Schedule of this Tenement Document.
3. The Mineral Tenement is numbered ML 6532.
4. The Mining Lease is:
 - 4.1. Subject to Terms and Conditions prescribed by the Act and Regulations, and subject to any determination of the Minister as to the modification of any such Term or Condition; and
 - 4.2. Subject to such Terms and Conditions as may be prescribed and additional Terms and Conditions (if any) as the Minister thinks fit and specifies in this Tenement Document.

Terms and conditions required by the Act to be specified in the Tenement Document

Description of the Land

5. The Mineral Tenement is granted over an area of 318.66 hectares and is located in the Chandada area, approximately 50 km east of Streaky Bay.
6. The location of the Mineral Tenement is more specifically defined in the map and coordinates specified in the Third Schedule of this Tenement Document.

Term, Grant and Expiration

7. The date of grant of the Mineral Tenement is the date the Mineral Tenement was entered in the Mining Register in accordance with Section 15AA(2)(a) and (b) and Section 37(3) of the Act.
8. The Mineral Tenement is granted for the term of Thirty-five (35) years. The term of the Mineral Tenement commenced on 17 December 2021, and, unless it is earlier renewed, surrendered, cancelled or forfeited, the Mineral Tenement will cease on 16 December 2056.

Rental

9. The Tenement Holder shall pay, by way of rental, such sums as may be prescribed and in accordance with Section 56M of the Act and Regulation 50 of the Regulations.

Compensation

10. The Minister may, at any time, require the Tenement Holder to pay to any person an amount of compensation specified by the Minister, to which that person is, in the opinion of the Minister, entitled on account of loss or damage suffered by the person as a result of operations carried out under the tenement.

Suspension and Cancellation

11. Pursuant to Section 56W(2) of the Act, the Minister may cancel or suspend a Mineral Tenement to which this Section applies if the Tenement Holder contravenes or fails to comply with
 - 11.1. a term of the Mineral Tenement; or
 - 11.2. a provision of the Act (which includes the Regulations).
12. Pursuant to Section 56W(3) of the Act, the Minister may suspend all or some of the authorised operations under a Mineral Tenement to which this Section applies
 - 12.1. pending compliance with an obligation or requirement under this Act by the Tenement Holder; or
 - 12.2. until the Tenement Holder takes some other step specified by the Minister; or
 - 12.3. on account of any other matter that, in the opinion of the Minister, warrants suspension of rights under the Mineral Tenement.

Environmental outcomes specified pursuant to Section 70B(2)(b)(i) of the Act

13. The Fourth Schedule of this Tenement Document sets out outcomes contemplated in Section 70B(2)(b)(i) of the Act, that the Tenement Holder is required to address in any program submitted in accordance with Part 10A of the Act.

Explanatory note: The Fourth Schedule may also contain strategies and criteria which the Department has formed the view would address the outcomes set out in that Schedule.

Restatement of selected provisions from the Act

Explanation of Restatements

14. All of the restatements in this portion of this Tenement Document are included for guidance only and do not replace the substantive provisions of the Act or the Regulations.
15. If any restatement is inconsistent with the substantive provisions of the Act or the Regulations, the restatement will be invalid and the substantive provision of the Act or the Regulations will prevail and the Tenement Holder is required to comply with the substantive provision of the Act or the Regulations.

16. The Tenement Holder is still required to comply with any provision of the Act or Regulations that is not restated in this Tenement Document.

Restatement of rights conferred on Tenement Holder

17. The grant of the Mineral Tenement confers an exclusive right upon the Tenement Holder including officers, employee(s), contractor(s) or duly authorised agent(s) of the Tenement Holder, to carry out mining operations subject to the provisions of this Act and the terms and conditions of the lease for the recovery of Mineral(s) from the land comprised in the lease; and
18. The grant of the Mineral Tenement authorises the Tenement Holder including officers, employee(s), contractor(s) or duly authorised agent(s) of the Tenement Holder to sell, or dispose of, Mineral(s) recovered in the course of mining operations carried out under the lease or to use any such Mineral(s).

Restatement of rights and powers not conferred on the Tenement Holder

19. The grant of the Mineral Tenement does not confer any right on the Tenement Holder
 - 19.1. to use the Land for any purpose other than the authorised operations, or
 - 19.2. to confer any rights on any other person in relation to the Mineral Tenement.

Explanatory note: For example, the Tenement Holder cannot grant rights to a party under a Joint Venture Agreement (or other agreement however described), to conduct authorised operations on the Land in that party's own right. The Tenement Holder may engage employees, contractors or agents to perform work on the tenement on the Tenement Holder's behalf).

Restatement of obligations imposed on Tenement Holder: Program for environment protection and rehabilitation

20. The Tenement Holder must not carry out authorised operations unless there is an approved program for environment protection and rehabilitation (an Approved PEPR).
21. A Proposed PEPR will only be approved when it complies with the requirements of Part 10A of the Act and the Regulations.
22. To comply with Part 10A of the Act, the Proposed PEPR must:
 - 22.1. Contain the information specified in Section 70B(2) of the Act and Regulation 63(1),(3),(4), 64 of the Regulations and determinations made by the Minister under Regulation 63(3) or 65(1) of the Regulations (if any);
 - 22.2. Comply with any applicable conditions specified in this Tenement Document (if any);

- 22.3. Address any relevant environmental outcomes listed in the Fourth Schedule of this Tenement Document.

Explanatory note: At the date of grant, the determinations are available at:

https://energymining.sa.gov.au/minerals/knowledge_centre/legislation_and_guidance/terms_of_reference_and_instructions

23. The Tenement Holder must submit to the Department for Energy and Mining for ministerial approval a Proposed PEPR that fully complies with the Act and Regulations within a period set in the Mineral Tenement conditions, or within such longer period as the Director of Mines, or an authorised officer may allow.

Restatement of obligations imposed on Tenement Holder: Working conditions

24. Following approval of the PEPR, the holder of the Mineral Tenement must commence authorised operations in accordance with the program under Part 10A of the Act within the time period stipulated in the PEPR conditions or Mineral Tenement conditions, and thereafter continue authorised operations in accordance with the requirements of the PEPR.

Explanatory note: Until otherwise notified, the Tenement Holder may apply for an extension of time in writing to the Director of Mines, GPO Box 320, Adelaide, SA 5001, setting out the reasons why the Tenement Holder seeks an extension and the date when the Tenement Holder estimates that the document will be ready for submission to the Minister.

Restatement of obligations imposed on Tenement Holder: Other

25. In addition to obligations about the conduct of authorised operations and rehabilitation, the Act and Regulations impose other obligations on the Tenement Holder including obligations to:
- 25.1. Comply with Part 3 of the Act (royalties).
 - 25.2. Comply with the applicable provisions of Part 9 of the Act (entry onto land).
 - 25.3. Comply with the applicable provisions of Part 9B of the Act (native title).
 - 25.4. Comply with the provisions of Section 17CA of the Act (mining returns) to the extent relevant to a mining lease.
 - 25.5. Comply with Section 15AJ of the Act (compilation, keeping and provision of material) and Regulation 16 of the Regulations.
 - 25.6. Comply, as necessary, with Section 15AB of the Act (ministerial consent for dealings with Mineral Tenements) and Regulation 14 of the Regulations.
 - 25.7. Comply, insofar as applicable to a mining lease, with Regulation 77 of the Regulations (compliance reports).
 - 25.8. Comply with the requirement in Section 56E of the Act. If the area of a Mineral Tenement has been identified by any pegs, markers or other items on the ground

take reasonable steps to ensure that the area of the Mineral Tenement continues to be so identified during the term of the Mineral Tenement.

- 25.9. Permit the pastoral lessee (if any) of the Land to have free access and use at all times for domestic purposes, and for the purposes of watering stock from any surface water on the land which shall not have been provided or stored by artificial means by the Tenement Holder.

Restatement of Exempt Land

26. In accordance with Section 9 of the Act, the grant of the Mineral Tenement does not authorise operations upon any exempt land unless or until the benefit of the exemption is waived under Section 9AA.

Restatement of Bond

27. In accordance with Section 62 of the Act, the Minister may by written notice require the Tenement Holder to pay a bond in such sum and subject to such terms and conditions as ensure, in the opinion of the Minister, that the following will be satisfied:

27.1. Any civil or statutory liability likely to be incurred by the Tenement Holder in the course of carrying out authorised operations;

27.2. The present and future obligations of the Tenement Holder in relation to the rehabilitation of land disturbed by authorised operations.

Explanatory note: The terms and conditions referred to in this paragraph will be imposed in the written notice given by the Minister. The Minister may include a term or condition that the bond may be increased if circumstances arise during the term of this Mineral Tenement which increases the rehabilitation liability or increases the cost of civil or statutory liability.

Restatement of Fees

28. The Tenement Holder shall pay all fees imposed by the Act and Regulations from time to time.

Restatement of Renewal

29. This Mineral Tenement shall be renewed in accordance with the Act.

Restatement of Surrender

30. The Tenement Holder may apply to surrender the Mineral Tenement during its term in accordance with the Act and the Regulations.

Restatement of Forfeiture

31. In accordance with Section 70 of the Act, the Mineral Tenement is subject to forfeiture.

Restatement of Notices

32. Notices under the Act will be served in accordance with Regulation 88 of the Regulations.

Restatement of Mining Register

33. Section 15AA of the Act requires the Mining Registrar to keep a register of, amongst other things, mineral tenements.

Restatement of Authorised Operations

34. As defined by Section 6 of the Act “authorised operations” means:

- 34.1. Exploration operations; or
- 34.2. Mining operations; or
- 34.3. Ancillary operations

Restatement of Mining Operations

35. As defined by Section 6 of the Act “mining operations” means:

- 35.1. Operations carried out in the course of prospecting, exploring or mining for minerals; or
 - 35.2. Without limiting 35.1, any operations by which minerals are recovered from any place or situation, including by recovering minerals from the sea bed or natural water supply; or
 - 35.3. On-site operations undertaken to make minerals recovered from the site a commercially viable product, other operations involving such minerals, or other operations involving minerals brought on to the site of a mine for processing; or
 - 35.4. Operations carried out at a private mine; or
 - 35.5. Operations which are brought within the ambit of the definition by a determination of the Minister or by the Regulations; or
 - 35.6. Operations for the rehabilitation of land on account of the impact of any operations under a preceding paragraph, or on account of a mine closure; or
 - 35.7. Operations that are directly related to any operations under a preceding paragraph;
 - 35.8. but does not include –
 - 35.9. An investigation or survey under Section 15 of the Act; or
 - 35.10. Fossicking; or
 - 35.11. The surface removal of loose rock material disturbed by agricultural operations.
36. This definition applies to operations that occur during all phases of the mine’s life.

Restatement of requirement to notify of a change in status

37. The Tenement Holder must comply with Section 15AA of the Act.

37.1. If the Tenement Holder is a natural person, he or she is required to notify the Mining Registrar of a declaration of bankruptcy within fourteen (14) days of the declaration.

37.2. If the Tenement Holder is a company, it is required to notify the Mining Registrar of its being subject to an insolvency event within fourteen (14) days of any of those events.

Restatement of Public Liability Insurance

38. The Tenement Holder must comply with Section 15AA of the Act and Regulation 81 of the Regulations, which concerns public liability insurance.

Restatement of Information

39. The Tenement Holder must comply with Division 6 of the Act, which concerns the collection and reporting of information.

Noise Outcome

1. The Tenement Holder must during construction, operation and post completion ensure that noise emanating from operations is in accordance with the current amenity as defined by the Environment Protection (Noise) Policy 2007 and the relevant land use zoning as defined by the Planning, Development and Infrastructure Act 2016 at the date the Mining Lease was granted.

Air Quality Outcomes

2. The Tenement Holder must during construction, operation and post completion, ensure no public health impacts from air emissions and/or dust generated by mining operations.
3. The Tenement Holder must during construction and operation ensure there are no public nuisance impacts from air emissions, and/or dust generated as a result of mining operations.
4. The Tenement Holder must during construction, operation and post completion, ensure no impacts to agricultural productivity for third party land users on or off the Land as a result of dust generated from mining operations, other than those agreed between the Tenement Holder and the affected user.

Blasting Outcome

5. The Tenement Holder must during construction and operation, ensure that there are no adverse impacts to:
 - 5.1. Public safety;
 - 5.2. human comfort;
 - 5.3. third party property (including stock);
 - 5.4. adjacent land use; and
 - 5.5. aircraftfrom airblast, flyrock and vibration caused by blasting.

Visual Amenity Outcomes

6. The Tenement Holder must during construction, operation and post completion, ensure that the form, contrasting aspects and reflective aspects of mining operations are visually softened to blend in with the surrounding landscape.
7. The Tenement Holder must during construction and operation ensure that there are no public nuisance impacts from light spill generated by mining operations.

Soil and Land Disturbance Outcomes

8. The Tenement Holder must during construction, operation and post completion ensure that the existing (pre-mining) soil quality and quantity is maintained.
9. The Tenement Holder must, ensure that:
 - 9.1. There is no contamination of land and soils either on or off site as a result of mining operations; and
 - 9.2. no contamination of land and soils either on or off site after mine completion occurs as a result of mining operations.

Public Safety Outcomes

10. The Tenement Holder must during construction and operation, ensure that unauthorised entry to the Land does not result in public injuries and or deaths that could have been reasonably prevented.
11. The Tenement Holder must demonstrate that post completion, the risks to the health and safety of the public so far as it may be affected by mining operations are as low as reasonably practicable.

Adjacent Land Use and Third Party Property Outcomes

12. The Tenement Holder must, during construction and operation, ensure there are no adverse impacts to third-party land use or property, including mains water infrastructure, on or off the Land, as a result of mining operations.
13. The Tenement Holder must during construction and operation, ensure that there are no adverse impacts to adjacent land use and no unauthorised damage to third party property and infrastructure as a result of fires caused by mining operations that could have been reasonably prevented.

Aboriginal and European Heritage Outcome

14. The Tenement Holder must during construction and operation ensure that there is no damage, disturbance or interference to Aboriginal and non-Aboriginal heritage sites, objects or remains unless it is authorized under the relevant legislation.

Native Fauna Outcome
