Dear Mr McConachy

Notification of Approved Program for Environment Protection and Rehabilitation (Program)

In reference to your submission dated 04 September 2026 (v5), the Program has been approved pursuant to section 70C(5) of the [Mining Act 1971](#) (the Mining Act).

The approved Program will be made publicly available on the Mining Register and the Department for Energy and Mining (DEM) [website](#). Details of the approved Program are listed below.

Tenement Holder	Ausmin Development Pty Ltd
Tenement Type & Number	Mining Lease (ML) 6495
Program Number	MP-07063
Name of Operation	Siviour Graphite Project

You are reminded that you must always implement and comply with the approved Program.

This approval does not constitute endorsement of the systems that you have in place to manage the mining operations in compliance with the Mining Act. Whilst your capability to undertake this activity has been considered in this approval, the responsibility for compliance with the Mining Act always remains with the tenement holder.

The legislative requirements outlined below must be actioned prior to commencement of operations authorised by the Program.

1 Compliance Reporting	You are required to submit an annual compliance report. As per existing arrangements, the reporting period will commence from 5 April, and the compliance report must be submitted within 2 calendar months of the recurring anniversary of the reporting period (before 5 June annually). Please refer to the DEM website for more information on the reporting requirements.
2 Work, Health and Safety Compliance	In accordance with Chapter 10 of the <i>Work Health and Safety Regulations 2012</i> (SA), you must meet the requirements for mine operators in South Australia, which include a notification for mining operations, the establishment of a Safety Management System, the identification of Principal Mining Hazards and development of a Principal Mining Hazard Management Plan. Further information on your responsibilities, including a guide to Chapter 10, and the Mine Operator Notification Form, is available on the SafeWork SA website .
3 Rehabilitation Financial Assurance	DEM has determined the rehabilitation liability estimate to be \$70,000, based on the information you have provided. The current bonds held for ML 6495 will be retained to cover the operations described within MPR-07063.

In addition to the requirements under the Mining Act, you are reminded that your operation will have other legislative requirements that you will need to comply with.

If you have any further queries, please contact DEM staff as below:
