COVID-19 UPDATE FOR SOUTH AUSTRALIA'S RESOURCES SECTOR

Dear Energy and Mining colleagues,

The Department for Energy and Mining is continuing to keep the channels of communication open as the nationwide response to containing the COVID-19 virus evolves.

You can watch this [video message](#) outlining my recommended industry response to the cross-travel directions and social distancing policies rolled out in South Australia.

I will continue to keep you updated as new information comes to hand and I urge you to contact [Martin Reid](#) if you have any questions about industry exemption protocols and cross-border travel arrangements.

The high-level of cooperation the Department has experienced throughout the ongoing health emergency is appreciated.

Paul Heithersay
Chief Executive, Department for Energy and Mining
