**Subject:** Proposed Mine in Woodside. South Australia

I would like to have my say regarding the proposed Mine in Woodside. South Australia.

I understand that there are many people who will object to the Mine going ahead.

I Do Not Object..

I trust our government and various authorities to oversee the project to ensure minimal disruption and impact to community, businesses, and environment.

It would hopefully bring some much needed employment to the Adelaide Hills.

Sincerely  
Tina Zadow
