I request documented emails of the alleged complaints, alleged from the public of the installation of solar generators installed on the following properties [REDACTED]

[REDACTED] *These are for the email sent to the OTR to state these installations are in fact not installed correctly o the AS/NZS 3000:2018 electrical rules. These complaints alleged were brought to the attention by a private disgruntle contractor, nevertheless, the OTR is in the proccession of the individuals the would have obviously trespassed on our private properties as well as climbed all over our roof to make such incorrect complete. The point is the OTR acted on behalf of this individual to bully and persecute the owners of the said properties. As these complaints were made by the public we have a right to know who is trying to continue to persecute us.*

In accordance with Premier and Cabinet Circular PC045, if you are given access to documents as a result of this FOI application, details of your application, and the documents to which access is given, may be published in the agency's disclosure log.
