Subject: Woodside mine

To whom it may concern,

As Adelaide Hills residents we are appalled at the proposed Bird in Hand mine. This particular part of the Adelaide Hills is pristine production area and is utilised by many in a relatively sustainable manner. The area is also prime for tourism and is home to some of the most recognised cellar doors and vineyards not only in the Hills, but across the nation. The potential risk to this region by approving a gold mine is short sighted and unnecessary.

Sincerely

Jess Moroney
