To whom it may concern

I am opposed to the proposed Terramin Bird in Hand Mine to be located at Woodside. This ill-conceived proposal poses too many risks to health, safety, infrastructure, water security, local business and the prosperity of our entire community. This mine has no place in the Adelaide Hills and cannot coexist in our community.

I support the assertions made by Bird in Hand Winery's public submission of opposition to the proposed Terramin mine.

Kind regards,
Mark
