Submission details

| | |
|--------------------------------------|---|
| Issue | Noise, extra traffic in Nairne, concerns of damage to ground water. destruction of local vineyards and agriculture |
| Reference and page number (if known) | No. 713 pg53 |
| Comment | The mine will cause damage to bird in hand winery and Petaluma. The ground water could be damaged and put local farms at risk |
| Additional comments | Do not put local farms and communities at risk for quick royalties. The Hills need farms and clean groundwater to thrive. The health and wellbeing of the environment is more important than quick dollars for big business |
