A search was conducted for documents held by the office of the Minister for Energy and Mining and 5 documents were identified within the scope of your request. In respect of the documents, I have determined as follows:

**Documents 1, 2, 3**

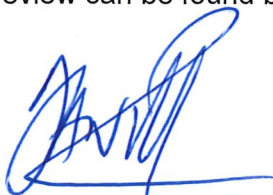

I have considered the documents and determined to refuse access in accordance with Schedule 1, Part 1 clause 1 (1) (e) of the FOI Act.

Dear All

FYI, although we do not appear to have been formally notified, great news that Stronger Partners Stronger Futures (refer p6 of the attached) was selected as a recognised project within the now released SA Govt Aboriginal Affairs Action Plan 2019-2020.

On 10 December 2018, Premier Steven Marshall released the first South Australian Government Aboriginal Affairs Action Plan 2019-2020 (Action Plan), which has a major focus on job creation and economic development, and the delivery of "on-the-ground outcomes" for Aboriginal communities.

This is a great recognition for the team, from Resource Policy and Engagement, this important Aboriginal Industry Government collaboration.

Regards

Alex

### For Official Use Only

Dear Reconciliation Network members

On 10 December 2018, Premier Steven Marshall released the first South Australian Government Aboriginal Affairs Action Plan 2019-2020 (Action Plan), which has a major focus on job creation and economic development, and the delivery of "on-the-ground outcomes" for Aboriginal communities.

The Action Plan includes three priority areas divided into 32 specific activities, each with measurable outcomes that will be completed by agencies during 2019 and 2020. The three priority areas are:

1. Creating opportunities for Aboriginal jobs and businesses
2. Improving the quality and the delivery of services to Aboriginal South Australians
3. Building strong and capable Aboriginal communities

Of particular note to Reconciliation Network members, priority area #2, *'Improving the quality and the delivery of services to Aboriginal South Australians'*, commits all South Australian Government agencies to have a Reconciliation Action Plan by mid-2019 that is either endorsed or lodged with Reconciliation Australia for consideration. The commitment requires all agencies to aim, as a minimum, to have a Reconciliation Action Plan that is at an 'Innovate' level, and over time, to reach 'Stretch' level.

An overarching whole-of-government Reconciliation Action Plan will also be developed by mid-2019. Aboriginal Affairs and Reconciliation will lead this work.
