Dear [REDACTED]

APPLICATION UNDER THE *FREEDOM OF INFORMATION ACT 1991*

I refer to your application under the Freedom of Information Act (SA) 1991 (FOI Act) received in this office on 23 September 2020. Your application sought access to:

Documents from Dan van Holst Pellekaan to Rex Minerals (including Chief Executive, other Executive officers, employees, Board members, consultants, and any other party associated with the company with an interest in the matter) regarding Rex Minerals land access arrangements.

***The above description is a shortened version of your complete scope, however be assured all documents within the full scope will be captured as part of this FOI.*

A search has been conducted for documents held in the office of the Minister for Energy and Mining and I can confirm no documents were identified as being within scope.

As indicated over the phone to you, I am happy to waive the application fee and as such have destroyed the cheque you provided for both of your applications.

Yours sincerely

A handwritten signature in blue ink, appearing to be "G. Hickman".
