

PUBLIC WARNING

UNSAFE ENERGY PRODUCT

Made under Section 9A of the Energy Products (Safety and Efficiency) Act 2000

The Office of the Technical Regulator in South Australia, has identified a potentially unsafe energy product, recently available for purchase on eBay website.

The energy product is a portable cooking appliance marked as Copper Pro Double Grill, Model: 81650, the packaging of the product was marked as 'RED COPPER 5 minute chef Electric Meal Maker' - see photos below.

This appliance was available for purchase through an eBay seller identified as 'everydaysource2017', we understand this seller is based overseas.

The appliance was found to overheat and deform during use, did not comply with Australian product safety standards and did not have mandatory Australian certification to permit its sale.

If you have purchased this appliance, I advise that you cease using and dispose of it in your rubbish bin.
